

Synapse Circus Center Make-Up Policy:

If you have been absent and would like to do a make-up class, please contact the office via email at office@synapsecircus.com

This will only be allowed for the ****current session**** you are enrolled in and will not be able to be used for future sessions.

Also, we will allow a make-up class if there are any openings for the ****same level**** that you are currently enrolled in.

*****If there are no openings available, or you are not approved for a level (i.e., you are enrolled in level 1 and see an opening for a level 2) by our coaches, we will not be able to approve said make-up class.*****
